Know Fear: Fear of Commitment

Know Others Commitment means pledging yourself to something no matter the price tag; pledging yourself to a stance no matter what the cost. What would it take for you to go against the tide to keep a commitment?

Know Risk Christianity is not a one-day proposition. It is a full-time, full-court commitment to the person and teachings of Jesus Christ. Do your priorities reflect that kind of commitment and dedication to following Christ? Explain.

Know What God Says

What are some things God wants us to commit to?

Deuteronomy 11:18

Psalms 37:5

Proverbs 16:3

Proverbs 23:12

Know What to Do About It - Satan will always attack our commitments. He messed with Eve in the garden, and Jesus in the wilderness. How will you resist? (Maybe you can meditate on James 4:5-10) Confess to one another, and pray with one another.
